Miss Wimperis says....

What a fantastic, festive, fun-filled week we have had in school. As always, the children have made us incredibly proud with their achievements. In particular this week; every class with their contributions to the fantastic finish event, the EYFS children when performing their nativity and the choir singing in Tesco. We hope that everybody has a relaxing break and we look forward to all the successes of the Spring Term.

What's been happening this week?

Well done to our superb singing club who sang in Tesco and Neville House Residential Home. Mrs Brocklehurst went above and beyond to create backing music to Sophia's own lyrics. The children sang Sophia's song and everybody thought it was amazing! Well done Sophia!
