

Westwood Academy
The Harmony Trust
Pupil Premium Strategy Statement 2022-25

Review of Year 1 of the 3-year Pupil Premium Strategy

The Pupil Premium Strategy Statement for the Harmony Trust and that of Village Academy outlines the intended use of the Pupil Premium Funding to improve the attainment of our disadvantaged pupils.

It is aligned with *The Harmony Trust 'Excellence for All' Framework*; an evidence based framework that builds upon the successful practice in our academies and uses evidence to inform pedagogy, the targeting of resources and the additional intervention needed to ensure every child succeeds.

The decision was made that the funding would be split and spent in the following ways:

1. Some of our Pupil Premium funding would contribute to trust-wide strategic actions which are focused on the implementation of this framework and in turn raising the attainment of all children through the delivery of a high-quality education and effective support and intervention, which is delivered by highly skilled teachers who are supported by strong evidence based professional development programmes.
2. The remainder of the funding would be retained and used to focus on individual academy priorities – taking into account the specific contexts and challenges.

A summary of the actions taken and impact from Year 1 of the 3-Year Strategy

1. Trust wide strategic actions		Summary review of the trust-wide actions for Y1 and planned next steps	Engagement with and initial impact of Trust wide strategic actions on Westwood Academy
Development Team Priorities	Develop clear guidance, expectation and exemplification of what makes an excellent education through the Excellence for All Framework	In Y1, academy leaders were supported through training sessions and 1:1 support from trust leaders, to complete a Self-Assessment to evaluate current provision for disadvantaged pupils in each academy. Leaders have taken the outcomes from this and ensured they are reflected in their ADPs and will be addressed when updating their PP Strategy Actions for 22/23 (Y2 of the strategy)	
		Completion of 'Excellence for All' Self assessment audit supported and enabled Leaders to evaluate current provision and plan effective next steps.	
	Provide a high quality CPD offer to all staff designed led by experienced practitioners	The Development Team aligned their CPD offer to the Great Place 2 Learn Strategy which outlines our belief that school should be a place where EVERY child achieves and makes progress over time. It also closely supports the implementation of the Excellence for All framework's guiding principles. Some key features – specific to ExForAll - included: Unlocking Potential Programme aimed at improving outcomes for UKS2 pupils (a similar KS1 programme will launch in Y2 of the strategy), Developing Excellent EYFS Provision, and deploying expert practitioners in key roles to support delivery of CPD and its application in the classroom.	
		Leaders at Westwood Academy were fully engaged with the CPD offer from the Trust Development Team and external partners. Staff from Westwood Academy accessed training linked to academy priorities and aligned to the GP2L strategy including but not limited to: <ul style="list-style-type: none"> • Curriculum and Subject Leader development • Early Years • Unlocking Potential UKS2 • Phonics • Reading • HTML Strategy • REDI • SEND 	

Read, Achieve, Succeed	Increase workforce capacity to support improvement	<p>The Trust has a commitment to recruit, train and retain high quality staff – a key finding of ‘Improving outcomes for disadvantaged learners in OAs’ in schools that have successful PP strategies.</p> <p>Where trust leaders, senior leaders and specialist practitioners have been strategically deployed in academies, this has enabled leaders to focus on key improvement priorities. This will continue to be a key strategic action for Yrs2 and 3 of the strategy</p>
		Trust senior leaders utilised to strengthen Reading, Writing and Phonics. Developed links with specialist practitioners to further strengthen the provision for SEND.
	Provide intervention at its earliest point through high quality Early Years Education	<p>Prioritising and developing expertise in the Early Years was another common feature of academies with effective and impactful PP strategies that the Marc Rowland report identified.</p> <p>In Y1 of this strategy, Harmony commissioned EYFS experts to deliver the REDI programme to all EYFS practitioners across the trust.</p> <p>Impact has been evidenced through revisited ECERs audits, academy visits by trust leaders and the outcomes of recent inspections.</p> <p>For Y2, the programme will run again for EYFS practitioners new to Harmony but also extend the learning from Y1 – including the further development of Outdoor provision. The REDI programme will also be extended to Y1 practitioners to ensure effective transition to Y1 and to develop an effective provision approach into KS1.</p>
		<p>All EYFS practitioners at Westwood Academy engaged with the REDI programme – designed to support consistency of high-quality teaching and learning by:</p> <ul style="list-style-type: none"> • Reviewing practice and provision • Explore areas of EYFS Curriculum • Develop action plans for improvement • Measure the Impact of actions taken
	Provide a strong framework for Character Education through ‘The Harmony Pledge’	<p>The Harmony Pledge is our commitment to giving the best education to children, that involves many different opportunities to develop their skills and learning and raising aspirations.</p> <p>Research shows that, amongst other factors, a lack of social capital, life experiences (outside of school and the family home) can result in disengagement with the curriculum and become an additional barrier to learning for those pupils identified as disadvantaged.</p> <p>In Y1 of this strategy, the Harmony Pledge was relaunched with a focus on developing character competencies. This initially has raised awareness of the Pledge for pupils and families and will continue to be a focus for the remainder of the strategy. The pledge points and competences have been mapped out through the Harmony Model Curriculum Framework and in Y2, Subject Leaders will receive further support the aim of the Pledge becoming an intrinsic part of the felt experience in every Harmony academy.</p>
		Running parallel to the <i>Harmony INSPIRE</i> Curriculum Westwood Academy delivers the Harmony Pledge, which develops character competencies and raises aspirations.
Read, Achieve, Succeed	Improve literacy and oracy levels through the implementation of the trust wide Read, Achieve, Succeed Framework	<p>“There is a relentless focus on literacy and language”, in academies where disadvantaged pupils are performing well.</p> <p>The Trust Development Team devised and launched a Reading Framework and Phonics Framework as part of the Read, Achieve, Succeed strategy.</p> <p>During Y1 of the strategy, the frameworks were shared with academy leaders and training provided for all relevant staff – led by expert practitioners from across Harmony.</p> <p>Phonics resources were provided so that there would be a consistent approach to high quality, inclusive teaching and learning in each academy. Support for assessment was also available and phonics leads met regularly.</p> <p>Materials to support a systematic approach to developing oracy were also shared and training will be delivered during 22/23.</p> <p>The Development Team recruited a team of expert practitioners to support the implementation and monitoring of these strategies, and this will be a key focus for Yrs 2 and 3 of the strategy</p>
		A key action taken during the academic year 21/22 was the development and launch of the Harmony Trust Phonics Framework. Westwood Academy’s Phonics leader led on the design of the new framework and continually

		<p>monitors the implementation and impact of the framework. This framework was implemented at Westwood Primary Academy from January 2022.</p> <p>Through the HTML Strategy, pupils have can log on to MyON and Accelerated Reader, increasing their access to quality texts.</p> <p>Reading at Westwood Academy is given high priority across the curriculum and is reflected in the Learning Environment of the academy. Outcomes at KS2 are greater than pre-covid with an 8% increase to 81%.</p>
Multi-Disciplinary Teams	Improve attendance through rapid and effective support and intervention	<p>In response to barriers and needs, the safeguarding team, including a Child and Family liaison worker, act as a 'first point of contact' to support the families and pupils in our communities. There are strong links with a range of partners through the Trust's multi-disciplinary team and families receive support through Early Help or local family support and counselling agencies.</p> <p>We know that it is essential to have strong relationships with families and communities and improved attendance can be a consequence of this. The trust uses learning from each academy and attendance leads from across the organisation meet regularly to share best practice and support each other.</p> <p>Leaders have access to Multi-Disciplinary Teams who operate cross-trust. Teams work together to target the most vulnerable families and those at risk of missing significant proportions of their education.</p>
HTML Strategy	Increase the technology available to pupils to support their learning and accelerate progress.	<p>Through our HTML Strategy (<i>Harnessing Technology, Maximising Learning</i>), our aim is to harness the use of technology for teaching and learning; to close the attainment gap and in particular for those at risk; to ensure that learning opportunities for all children are maximised as both a response to the Covid closure period and in delivering a high-quality education that prepares all of our pupils for their future.</p> <p>Being innovative with the use of technology can support learning and complement our already well established and effective approaches to teaching and learning. The intention is that devices and access to appropriate technology for all will accelerate pupil progress and encourage independent, expert learners.</p> <p>The HTML Strategy is a key feature of our ambitious curriculum for disadvantage pupils. From the beginning of Y1 of the strategy, all KS2 pupils have an iPad and keyboard which they use in lessons and take home to extend learning beyond the school day. To ensure the effective implementation of the strategy, a decision was made to focus on a small number of key apps (in particular those to support reading and mathematics) and uses (for T&L), and some staff and pupils felt confident enough, then they would make fuller use of the devices.</p> <p>Training and support is ongoing (and will continue to be so) and each academy has its own implementation plan and timeline.</p> <p>All Key Stage 2 pupils now have an iPad that they use to support their class work and extend their learning beyond the school day.</p> <p>Access to devices has also increased across KS1 and EYFS.</p> <p>Teachers have a state of the art iPad air to support their teaching with technology. Teachers are innovating their approach, enabling learning within and beyond the classroom.</p> <p>In a recent trust wide staff survey, staff were very positive in their responses to questions relating to using technology to maximise teaching and learning opportunities.</p>

Enrichment and Opportunity	Ensure that the Great Place 2 Learn Statement principles of first hand practical enrichments, experiences and wider opportunities are available to all children	<p>Another key principle of the GP2L Strategy is to provide as many opportunities as possible to enrich the curriculum further. Trips, visits and visitors to school are subsidised so that all children access these experiences. This supports the development of cultural capital and further builds knowledge within the subject they are studying.</p> <p>This also aligns to the Harmony Pledge and Excellent for All Framework.</p> <p>Trust-wide, during Y1 of the strategy, an increasing number of pupils took part in the Children's Shakespeare Festival, performing Macbeth to audiences from across each borough. The aim is for all academies to take part across Y2 and 3.</p>
		<p>The Curriculum provides a wealth of opportunity for all children to engage in a range of experiences. Pupil Premium funding has been used to ensure that no child misses the range of experiences available to them.</p> <p>Examples of such experiences at Westwood Academy this year have included:</p> <p>Brian Cox Science talk at Queen Elizabeth Hall Y6</p> <p>Lytham St Anne's Beach Y2</p> <p>Castleshaw Y3 & Y4</p> <p>Blackpool Zoo Y1</p> <p>Shakespeare Festival at Oldham Coliseum (came into school too)</p> <p>Robinwood Y6</p>

2. Academy Specific Priorities		1 year review
Teaching (for example, CPD, recruitment and retention)	To develop early reading skills of all our Early Years children	A language rich environment is in place across the Early Years with high quality provision. Early reading is evident and promoted through stories, songs and rhymes. Books are available through the range of provision areas. Introduction the fully decodable Big Cat phonics books. Lending libraries in place to share stories with their families and support through REAL events on how to develop early reading skills with their children.
	To support and accelerate children's progress and attainment in fluency and understanding for children who have SEND/ English as an additional language	Curriculum resources have been adapted to ensure that all children, including EAL and SEND are able to access a broad and rich curriculum.
Targeted Academic Support (for example, tutoring, one-to-one support, structured inter	Targeted support for underachieving children to close identified attainment gap (including: target 1:1 readers, phonics interventions, targeted group work in class for English/Maths, BLAST/ TALK BOOST/WELCOMM/ELKLAN, booster sessions, NTP)	Raising attainment plans were in place to identify all under achieving children and also included the targeted bottom 20%. Additional support included resource adaptation, scaffolds, learning aids, interventions and the effective deployment of teaching assistants.
	To close identified attainment gaps in Y1 and Y6 through access to school led tutoring	<p>Key children, at risk of not meeting their end of year targets were identified following pupil progress meetings, data analysis and raising attainment plans. Interventions were planned accordingly to ensure children caught up quickly and working towards the age-appropriate standard.</p> <p>A two School Led Tutors were in place to provide additional 1:1 reading and writing interventions in KS1 and LKS2.</p>

ventions		<p>Unlocking Potential in Upper Key Stage 2 programme looked at identifying gaps through QLA and writing moderation sessions.</p> <p>Y6 children attended a booster programme during the Spring and Summer Term focussing on arithmetic and reading skills.</p> <p>For School led tutoring there was a particular focus on disadvantaged pupils.</p>
Wide r strat egies (for exam ple, relat ed to atten danc e, beha viour , well bein g)	Provide appropriate well-being support for children and staff across the academy	Mental Health First Aiders and Mental Health Ambassadors supported with well-being and shared tips and techniques on how to maintain good mental health.
	Provide cultural capital enrichments opportunities.	Enrichment of the curriculum through the implementation of the Harmony Trust INSPIRE curriculum. Children's academic and creative talents have been nurtured through the Harmony Pledge planned activities and character development enabling them to increase their cultural capital.
